

BEEKEEPING TASTER SESSION

Sat 13th June at Fife Beekeepers Association Teaching Apiary

Starting at 1000 finishing at 1400

All protective suits are provided

DIVE INTO THE BUZZING WORLD OF BEES

Your clients are invited to join us for an immersive, hands-on and educational experience that will take them deep into the hive, with opportunities to :

- ❖ Suit up
- ❖ Spot the queen
- ❖ Interact with live bees
- ❖ Learn all about the essential role they play in our ecosystem.

Travel Trade 2025/ 26

Fife Beekeepers Association apiary is situated in the East Neuk of Fife, one of Scotland's most beautiful coastal areas surrounded by seaside villages with brightly coloured houses, red roof tiles, and picturesque fishing harbours.

Located on the stunning Balcaskie Estate three miles north-west of Pittenweem. St Andrews is a 20-minute drive away and Edinburgh a 90- minute drive. Dundee and Perth are also within easy reach. Historic Kellie Castle with its gardens and tea room is half a mile away.

A BEEKEEPING EXPERIENCE

Have you ever wondered what it's like to live a day in the life of a beekeeper?

Our Beekeeping Experience is designed to give an unforgettable, hands-on adventure in the world of bees.

Our expert beekeepers will guide your clients through every step of the journey, offering insights and knowledge about beekeeping, the behaviour of bees, and how they produce the delicious honey we all love.

Whether nature enthusiasts, budding beekeepers, or simply curious about one of the world's most important pollinators, come and discover the fascinating world of bees.

WHAT'S INCLUDED AND PRICE ?

- ✦ Our hands-on beekeeping experience is a three hour activity.
- ✦ Suits will be provided.
- ✦ Maximum group number is 12
- ✦ Car parking and toilet facilities are provided.
- ✦ Cost £55.00 per person- minimum charge £220

Bookable by email on request and pre-payment **1 week** prior to the event will be required.

Please Note – Beekeeping is weather dependant and we are not able to open hives in poor weather conditions.
